Our love was sil ver, – our love was gold, our love was bro-ken, – our love was cold; our love was

I know it was rain ing – the day we met, the sun was shi ning, – we started to sweat, we knew either

Now blues keeps a fall in'– down on my wndow pane, to have or have not, babe, seems to both be the same. I wish I could

Tra - gic, ma - gic, pla - stic, so – full of holes.

Way ———————— we was gonna get wet.

Call you, tell you, show you, anything to explain

You wanted to mor row, and you wan ted a ring, but now it's a was thing.

You started cry in' I started to sing, and now it's a Was Thing.

Just how I'm feelin', how my heart's on the wing, and how we're a was thing.
